DETAILED ACTION / ALLOWANCE

Allowable Subject Matter

1. Claims 1-3 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art, alone or in combination, did not show or teach a freeze proof water valve including a first valve body mounted in the valve housing within the primary water chamber for flow of water therearound from the housing inlet to the primary water outlet, the valve body being movable between an on position and an off position whereby water from the primary water chamber is directed to the first secondary outlet in the on position, and water in the primary water chamber is shut off from the first secondary outlet and water in the first secondary outlet is directed to the water drain outlet for discharge when in the off position, together with the other recited limitations as set forth in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. US Patents to Girardin, Dupre, McGhee, Pergay et al., and US Patent Application Publication to Dupre, are cited as of interest.

Art Unit: 3752
